

Qualitative Research Clinic

Qualitative Research Clinic

Opens 1st August 2017

About

Run by the QRN Hub, the *Qualitative Research Clinic* is a consultation service offering expertise and guidance from experienced qualitative researchers in planning and conducting qualitative research. This service is designed to give general advice only. Advice could include suggestions on:

- research methodology,
- data collection methods,
- rigour of research,
- analysis techniques,
- software,
- other resources that may help

The Qualitative Research Clinic is available to all:

- research (e.g. MPhil, MSc or PhD) students at UNSW
- staff at UNSW (including research staff)

Fee

\$150 per hour consultation

Student discount

First consultation: 60 minutes free, plus one 30-minute follow up discussion, also free of charge. If more consultation is required, you will need to pay a fee of \$150 per hour.

Location

School of Public Health and Community Medicine, Samuels Building, UNSW Kensington Campus
