An individual course which is specified as a core course in one program may be taken as an elective in another program.

*** This course is provided by the School at no charge to the student.

Notes:

•Week 1 is a full teaching week, not an introduction. Internal (face to face) students will be disadvantaged if they don't attend.

•All International Students are strongly encouraged to be in Sydney for 0-Week to set yourself up for success. Any international student who is not in Sydney by Friday of week 1, ie. 19/2/2021 will not be able to start late (Post Week 1) and will be required to defer to the next available term.
